1. Mr. Houston and I discussed with Mr. Dulles proposed approaches to the Armed Services Committees of the House and Senate in connection with confirmation, special legislation for General Cabell, CIA legislation, and general relationships. Mr. Dulles agreed that we should discuss the Cabell legislation with General Persons in the White House, and subsequently informed me that Mr. Morgan/<sup>of</sup>~~was~~ General Persons' staff was the man to see.

I also advised Mr. Dulles that prior to his confirmation hearing he should review his portfolio to ascertain whether any of his stock-holdings were in conflict with CIA procurement activities. He has agreed to do so.
